Attachables Clothing™

Not sure what the weather will be like when you arrive at your vacation location? Attachables Clothing™ with removable sleeves helps kids dress right for unpredictable weather. When it's cold, put the sleeves on, and when it's hot, take the sleeves off. The sleeves attach by Velcro and the soft side will touch your child's skin. Parents love the convenience, kids love the variety. Available at www.lafbrand.com. Prices vary.

Audiowrapz

Music is a great way to enhance your travel experience, and with the new Audiowrapz case by Logz for the 3rd Gen Nano, you can take your tunes with you without annoying earbuds or a bulky speaker dock. Audiowrapz has speakers built right into the silicone protective case and won't drain unnecessary battery power from your iPod either. Now available at Wal-Mart stores nationwide for \$19.99, this case makes a great travel companion.

BedBugz

Going to bed can cause unwanted stress on a child in unfamiliar surroundings. BedBugz inflatable bedrails will keep your little one comfy and cozy all night long with its special design that sits on top of a mattress to prevent them from falling out of bed. They easily deflate and fold up neatly, so BedBugz can be taken anywhere. They are great for a weekend at grandma's or a week in a hotel. Available online at www.toddlercoddler.com. Retail price is \$34.99 to \$39.99.
