Unlike metal or wooden bedrails, the BedBugz attaches directly to the mattress so there is no need for a box spring. BedBugz are available in solid pale yellow or lavender, as well as pink, blue, or green logo patterns, and is designed to fit up to a

double/full mattress. If you have a larger bed then try the BedBugz Deluxe, which comes in white or crème and is for queen or king-size mattresses, and is excellent for a family bed!

The heavy-duty buckles on the BedBugz keep the unit in place while your child stays in bed safely and gets the rest he needs. When deflated, Bedbugz fold up neatly so they can be taken anywhere. They are great for a weekend at Grandma's or a week in a hotel.
