ToddlerCoddler Joins Loudoun Chamber

POTOMAC FALLS, VA – ToddlerCoddler today became a 2004 member of the Loudoun County Chamber of Commerce.

“This is very exciting for us,” said Susan Dunk, founder of ToddlerCoddler. “The people in this community helped us off to a great start with our business, and now we would like to get involved and give something back.”

ToddlerCoddler is an award-winning product that provides head, neck and lateral support to prevent sleeping children from "slumping" in their car seat or booster. It also can be used in jogging strollers, umbrella strollers and on airplanes. All that is needed is a headrest or seatback.

More information can be found at www.toddlercoddler.com.
